CRISIS COUNSELING PROGRAM (CCP)

The Crisis Counseling Program is here to help you navigate the impact of the COVID-19 crisis.

If you are feeling stress, fear, or anxiety over the uncertainty of COVID-19, contact us for support. You'll be connected with trained, compassionate staff who can offer support, stress management tools, and connect you with local services to meet your needs. All contacts are confidential.

Crisis Counseling Program serves adults with serious mental illness and their family members, providing counseling in Spanish and English.

Counselors offer support related to COVID-19 stressors and referrals to resources in the community.
