Virtual Event in Honor
of May Mental Health
Awareness Month**

Interim, Inc. presents a one-hour, free Zoom event on Wednesday May 11, 2022, from 5:30 - 6:30 PM. What started as a community mail art project exploded in popularity; since PostSecret's inception in 2004, Warren has received over 1 million anonymous secrets on homemade postcards. His project has raised over \$1 million for suicide prevention, earning him the Mental Health Advocacy Lifetime Achievement Award in 2011.

PostSecret

"When I was younger, I struggled with depression and anxiety, like many of us, but I kept it a secret and in the darkness it got worse. I suffered longer, needlessly, because I was afraid that if others knew my struggles they would judge me. The old stigmas handed down from earlier generations kept me from asking for the help that was waiting for me."

Interim Inc. will hold a FREE Zoom Webinar featuring Frank Warren
Wednesday, May 11, 2022, 5:30-6:30 p.m.

Frank Warren is the creator of the PostSecret Project, a growing collection of more than a million artful secrets, mailed to him on postcards.
