

# MOVE FOR MENTAL HEALTH

HOW WILL  
YOU GET  
MOVING IN  
OCTOBER?

A FUNDRAISER  
BENEFITTING  
INTERIM, INC.

Dear Friends,

October is an important month for the mental health community. World Mental Health Day and Mental Illness Awareness Week both fall in October. Interim, Inc., the largest provider of housing services for adults living with mental illness in Monterey County, is organizing an awareness and fundraising event emphasizing the importance of movement to mental health.

Throughout the month of October, event participants will be encouraged to set a goal for themselves, to get outdoors and move, be it walking, hiking, running, biking, swimming, or other physical activity, while raising funds to support Interim's vital community services!

You can help us cover the cost of bringing this event to our community by becoming a sponsor. If you own a business or lead an organization, sponsorship includes multiple opportunities for recognition of your business amongst our supporters.

If you are interested in becoming a sponsor, please fill out the enclosed return form and send us your check or a pledge.
