

Invest in Housing, Healing, and Hope

Support mental health recovery programs, support services, and affordable housing in Monterey County through a gift of appreciated stock.

For more than 50 years, Interim, Inc. has helped adults living with serious mental illness build stable, meaningful lives through housing, treatment, outreach, and recovery services throughout Monterey County.

A gift of appreciated securities is one of the most tax-efficient ways to support this mission while potentially providing important financial benefits to you.

Your stock donation can help support:

- Affordable supportive housing
- Homeless outreach services
- Residential treatment programs
- Wellness and recovery services
- Employment and supportive service

WHY GIVE STOCK?

Donating appreciated stocks, bonds, or mutual funds directly to Interim, Inc. may allow you to:

- Avoid capital gains taxes on appreciated assets
- Receive a charitable income tax deduction
- Make a larger impact than a cash gift
- Support long-term recovery and housing stability in our community

Please consult your financial or tax advisor regarding your specific situation.

THE PATH TO MENTAL HEALTH

A FOUNDATION FOR RECOVERY

At Interim, Inc., housing is paired with compassionate mental health services, community support, and opportunities for growth. This integrated approach helps individuals not only stabilize, but rebuild their lives with purpose and connection.

For more than five decades, Interim has been a trusted partner in Monterey County—providing safe places to live, pathways to wellness, and support for long-term recovery.

Gifts of appreciated securities are a straightforward way to support this work.

MAKING A GIFT OF STOCK
